### Group Bookings - Frequently asked questions

#### When are you open for Group bookings?

We are open Wednesdays to Sundays and Bank Holidays until Sunday 30 October 2022

Opening times 11am – 5pm

#### What can we see on our visit?

Henry Moore Studios & Gardens in rural Hertfordshire is the best place in the world to appreciate the work of sculptor Henry Moore. Moore's former estate is much as it was during the artist's lifetime and provides the perfect backdrop for his work, which Moore always intended to be experienced in the landscape. You can experience Moore's family home Hoglands, explore his studios, see his tapestries in the Aisled Barn and admire the gardens created by his wife Irina.

Group tickets are a discounted price to include a guided tour of the beautiful outdoor sculpture gardens, the Aisled Barn, the studios and the new exhibition, *Henry Moore: The Sixties*. If you would also like your group to visit Hoglands, Moore's family home, this is available as part of itinerary B.

#### How do I book my Group visit?

### **How do I pay for my Group visit?**

**We need your confirmed group numbers at least one month before your visit.** Once received we will send you an invoice for the outstanding amount. This will need to be paid within 14 days of receipt. After this invoice date we may not be able to admit additions to the group and refunds cannot be issued should the group number reduce

### **Where are the Studios and Gardens located?**

If you have not visited Perry Green before please take directions from our website. We are in a rural location accessible only via unmarked roads, which narrow in many places to single file traffic.

Larger coaches will find it extremely difficult to navigate the country roads. We therefore cannot accommodate double decker buses or coaches that exceed 11 metres in length.

### **What provisions do you have for visitors with limited mobility?**

We have several routes around the estate that are paved and wheelchair/mobility scooter friendly. We have two disabled toilets. We also have a limited number of mobility scooters available for use free of charge. They need to be booked in advance by emailing [visitorservices@henry-moore.org](mailto:visitorservices@henry-moore.org) and any users must be confident they can control and stop it.
