Frequently Asked Questions

What information does Rosey Lea need prior to the event?

Rosey Lea will need to know the number of people attending, whether you would like tea and coffee at 11am, your choice of either menu 1 or menu 2, which drinks you would like for 11am and what drink you would like for lunch (and numbers of each drink e.g. 10 apple juice, 4 water etc), and any dietary requirements. What dessert option and how many.

Does the menu cater for vegans/vegetarians/gluten free?

Rosey Lea can cater for specific dietary requirements, as long as this is stated in advance when pre ordering the set menu. For example, for vegans we can provide a vegan vegetable roll instead of the quiche as well as other adjustments. For sandwiches we can offer gluten free bread. Gluten free scones and cakes. Vegan cakes.

Can our group order extras on the day?

Any extra drinks/cakes can be purchased on the day at the cafe till. These will be charged at the standard cafe rate and will be paid for at the time of purchasing. You will have to wait for these items depending on how busy the event is. We prefer for you to order before ideally.

Where will our group be sat and how will the food be laid out?

Your group will be sat in a separate room adjacent to the main Rosey Lea cafe at Henry Moore. Tea and coffee is served in teapots on tables for guests to help themselves. The food and drink will be laid out ready for you at lunch time as buffet style.

Will the food and drinks be served to us?

It is buffet style to help yourself. We do not plate up your food. At an additional charge we can serve food and drinks. Please specify this when booking.

Can we change the number of guests once the event has been booked and paid for?

Once you have paid, any changes to numbers can be emailed to events@roseylea.com. Please quote the booking name and date. Refunds cannot be issued if guests drop out, however changes to dietary requirements can be accommodated if there is at least 2 days' notice. Please email if there are any problems.

Can we purchase and consume alcohol?

Henry Moore Studio and Gardens does not have an alcohol license which means we cannot sell alcohol on site.
